

Environmental Certificate 2009/2010

Minera Norge AS
980253708

is affiliated to the officially certified take-back company Elretur AS, and is thus fulfilling its producer obligations regarding electrical and electronic equipment pursuant to the Norwegian Waste Regulation s chapter concerning scrapped electrical and electronic equipment (The EE Regulations).

Elretur AS guarantees the operation of a nationwide collection system involving the environmentally proper management and recovery of WEEE, as well as the mandatory reporting to public authorities.

Minera Norge AS's take-back obligations regarding the packaging sold EEE came in are met through Elretur s collective membership of Grønt Punkt Norge AS.

Elretur AS is certified pursuant to the ISO 9001 and ISO 14001 standards, and approved by the Norwegian Pollution Control Authority (SFT) as a collectively financed take-back company for WEEE.

Oslo, 1 juli 2009

Stig Ervik
Elretur AS

This environmental certificate is valid until 30th June 2010.
